## Company Profile

Rizhao Ruixing Glass Co., Ltd. is a leading glass bottle manufacturer in China. We produce and develop all kinds of liquor glass bottles (flint, amber, blue and green), wine and juice bottles with steady quality and good price; we also have the ability to satisfy special requests: from matched corks and aluminum screw caps, capsules, to glass bottles, and decoration from frosting, label printing, engraving logo, words, spraying any color and screen printing. Long-term relationship with a respected partner is the core for all of us. We strive to provide the best quality products and service for all our customers to ensure a timely delivery.

Our ambition is to be one of the best performing, most trusted and respected glass bottles manufacturer in the world.

Welcome to custom glass bottles, make your own style bottles real and pack the liquor.

USA, Canada, Mexico, Europe are our main markets, our company already cooperated with many distilleries, wine and beverage companies for their own bottle's customized production, welcome worldwide clients inquiry us to build own shape bottle.

### OEM/ODM

We produce and develop all kinds of liquor glass bottles. Strong R & D team can help customers realize their idea and design on each customized glass bottle.

We will send out samples first, and then start mass production after customers' confirmation, so as to find a sense of belonging for each customized bottle.

### One-stop Delivery

Now we have our own freight forwarder provide one-stop service. Door to door service. We can save shipping cost and shipping time if you choose us. You only paid the document fee and import duty when the goods arrived your place. We are responsible for the whole transportation service.

### Warm Service
